

# ONLINE AUCTION

INSTRUCTION

## **Dear buyers!**

We are excited to announce our online auction. Here you will find out how to participate in online bidding.

Please follow our instructions:

## **Please note:**

- Before participating in online auction, make sure that you have high-speed Internet connection.
- We can guarantee stable work of the online auction service in the following browsers: Google Chrome, Microsoft Edge.
- Minimum screen resolution requirements: 1280 × 768.
- Please note that the color rendering of lot's photos may be differ at the computer, tablet or mobile.

**Pre-registration is required before each online auction! Please fill out the form at [Online auction](#) page.**

# 1 – Home page

The image shows the top section of the Sojuzpushnina website. At the top left, there are social media icons for Facebook and Twitter. Next to them is a yellow oval logo with a magnifying glass and the text "ONLINE AUCTION". The main header features the company name in Cyrillic "СОЮЗПУШНИНА" and English "SOJUZPUSHNINA" with a globe icon. To the right is a link for "ЛИЧНЫЙ КАБИНЕТ ПОСТАВЩИКА" (Supplier's Personal Cabinet) and a language selector "RU". Below the header is a navigation menu with links: Home, About company, News, Auctions, For buyers, Contacts, and Fashion. The main content area is a large photograph of an auction room with people seated at desks. A semi-transparent white box on the left contains the text "Auctions" and a "READ MORE" button with a right-pointing arrow. A circular sign with the number "285" is visible in the foreground of the photo.

**The auctioneer has 2 options for bidding mode.**

At the discretion of the auctioneer, the auction can be conducted both in automatic and manual mode.

**Automatic trading mode:**

In automatic mode, there is a countdown timer, it starts for 15 seconds. You need to place a bid, during this time.

After each bid from any other buyer, the timer starts again for 15 seconds.

If bids were placed, the lot will be sold automatically when time is over. After that, the auction will move to the next lot.

**Manual trading mode:**

There is no countdown in manual mode.

The auctioneer conducts the auction on his own.

## Create invoicing and shipment instruction

1. To give an invoicing and shipment instruction, please tick required lots.  
Please note that in 1 invoice can be no more than 25 lots.
2. Then in the right part of the screen you need to fill in required fields.
3. If you are buying lots for the company for the first time, you need to fill in all the fields, including:
  - Country
  - City
  - Address
  - Email
4. You cannot combine lots from different auction companies in one instruction!
  - When you successfully create instruction, you will see a list of issued instructions.
  - Our staff will process your instructions and will send the invoice by email.
  - **If you decide to change any instruction, please contact Olga Vasilieva.**
